RE: Alcoholic Beverage License Application, Class "FA-Entertainment", Fargo Billiards

**Application for a Class "FA-Entertainment" Alcoholic Beverage License to add a new owner from

In accordance with Section 25-1505 of the Fargo Municipal Code, I have conducted an investigation into the character, reputation and fitness of the applicant(s) listed on the supplied application.

During this investigation, I examined the applicants' credit reports and public record criminal backgrounds.

The following information was discovered through this investigation:

Page, Adele – Owner/Manager

Criminal History-

A search of Fargo Police Department criminal records, North Dakota public records (publicsearch.ndcourts.gov), Minnesota public records (<https://chs.state.mn.us/>) and a North Carolina internet search showed no criminal activity.

Kaloustian, Amanda (Maiden Name Heley) – Owner/Manager

Criminal History-

A search of Fargo Police Department criminal records, North Dakota public records (publicsearch.ndcourts.gov), Minnesota public records (<https://chs.state.mn.us/>) showed a 2006 Driving Under Suspension (DUS) in Richland County, ND (disclosed on application), a 2007 DUI in Wahpeton, ND (disclosed on application), a 2010 Disorderly Conduct in Fargo, ND, a 2011 DUS in Fargo, ND.

Investigation Notes

I spoke with Amanda in reference to the above criminal history and credit records. Amanda said she was around 19-20 when she got the criminal charges. She said the DUI was one of the best life lessons she has learned. She did not disclose the other two charges, as she forgot about them. She said she used a public record search to list her criminal history on the application and the other charges were not on there. I can confirm she is correct in that statement. She was not trying to hide them, she simply forgot. She did admit to all the charges when I asked her and apologized for forgetting them. She said she had a lot of growing up to do after those incidents. When asked about the credit report, she said they were all accurate and that she and her husband are working hard on clearing them all up soon. She said the debt came when they were younger and then her husband lost his job during Covid. She also lost her job for about a month during Covid. Amanda was very polite and even added that she is very appreciative of law enforcement and she currently enjoys our relationship with her and her team at Billiards.

This application is for a class "FA-Entertainment" alcoholic beverage license (Authorizes the licensee to sell beer, wine and spirits "on-sale" only, in a place of amusement or recreational establishment. Gap 9 | Recommended Bridge & Path Alignment

Recommended Bikeway Concept

The recommendation for Gap 9 is a high-capacity bicycle and pedestrian bridge crossing the Red River in Fargo/Moorehead. The bridge would connect the east side of the river to the west side of the river, providing a direct route for commuters and recreational users. The bridge would be a high-clearance structure, approximately 100 feet high, to allow for the passage of aircraft. The bridge would be a concrete structure, approximately 100 feet long, and would have a width of approximately 20 feet. 2045 Fargo-Moorhead Transportation Plan

Transportation Goals & Objectives

The vision for how the Fargo-Moorhead system should perform was based on first establishing plan goals. The purpose of setting plan goals is to translate the values that the Fargo-Moorhead community places on transportation and to summarize them into a set of guiding principles. These goals are the framework through which the Metro Grow plan has been developed and measured. The goals were developed to reflect:

- National priorities, including the national planning factors outlined in CFR 450.306
- State goals outlined in state transportation plans for North Dakota and Minnesota
- Public input received through the various engagement efforts outlined in Chapter 3

Plan Goals

The plan goals that established the overall direction for the Metro Grow plan focused on eight areas:

 <p>SAFETY SYSTEM & SECURITY</p> <p>Provide a transportation system that is safer for all users and provides a secure system that is resilient to incidents.</p>	 <p>TRAVEL EFFICIENCY & RELIABILITY</p> <p>Improve regional mobility by promoting strategies that limit travel delays and provide more continuous vehicular flows on the NHs and arterial streets, emphasizing more efficient connections for longer-distance trips.</p>	 <p>WALKING & BIKING</p> <p>Implement projects that increase walking and biking as transportation, promote modal connections, and create enhanced walking and bicycling environments.</p>	 <p>TRANSIT ACCESS</p> <p>Support the existing MATBUS system by providing enhanced access via walking and bicycling connections, transit amenities, and complete streets in transit corridors.</p>
 <p>MAINTAIN TRANSPORTATION INFRASTRUCTURE</p> <p>Provide a financial plan that supports maintaining transportation infrastructure in a state of good repair.</p>	 <p>ENVIRONMENTAL SUSTAINABILITY</p> <p>Provide a transportation system that provides access equitably and limits impacts to the natural and built environment.</p>	 <p>ECONOMIC DEVELOPMENT & TRANSPORTATION DECISIONS</p> <p>Promote transportation projects that support regional economic goals, support freight movement, and promote projects that can be financially sustained for the long-term.</p>	 <p>EMERGING TRANSPORTATION TRENDS</p> <p>Incorporate transportation trends and new technologies in regional transportation plans.</p>

Proposed Plan for 2026 Funding

- With cost estimate increases on **32nd Avenue S** project in 2024, move an additional **+3.118M** to that project as a federal aid payback.
- With cost estimate increases in **Broadway Bridge**, move an additional **+1.2M** to this project.
- This would encumber all 2026 funds from Metro COG.

Proposed Plan for 2027 Funding

- With cost estimate increases on **Pedestrian Bridge over Red River**, move an additional **+2.4M** to that project.
- For a **NEW** project, we are recommending reconstructing 17th Avenue S between University Drive and 25th Street.
 - Estimated 2027 Construction Cost **\$ 10M**
 - **8M** Federal
 - **2M** Local
- This project would fall under the Metro COG Goals for:

WALKING & BIKING

TRANSIT ACCESS

MAINTAIN TRANSPORTATION
INFRASTRUCTURE

Proposed Projects – 2028

- Although not being solicited now, staff is preparing for additional downtown reconstruction, and **1st Avenue N from 3rd Street to University** is tentatively planned for our next undertaking.
- This project would fall under the Metro COG Goals for:

WALKING & BIKING

TRANSIT ACCESS

MAINTAIN TRANSPORTATION
INFRASTRUCTURE

SAFETY SYSTEM & SECURITY

WHEREAS, the City Commission (the “Commission”), of the City of Fargo, Cass County, North Dakota (the “Issuer”) has heretofore duly created the improvement districts as set forth in **Attachment A** hereto (the “Improvement Districts”), authorized the issuance of certain definitive warrants of the Issuer (the “Warrants”) for each such Improvement District in the amounts set forth in **Attachment A** hereto for the construction of improvements in the related Improvement District (the “Improvements”) and established special funds for each Improvement District (the “Special Funds”, each a “Special Fund”);

*Stated Maturity

In the event any Bond is called for redemption prior to maturity, the Issuer will cause a notice of redemption to be sent to the Bond Registrar, Paying Agent and the registered owners of the Bonds called for redemption at least twenty (20) days before the date specified for redemption at the address shown on the registration books of the Bond Registrar. Within ten (10) days before the thirtieth (30th) day prior to any specified redemption date, if less than all Bonds of a single maturity are to be redeemed the Bond Registrar will select for redemption (by lot or in such manner as the Bond Registrar may determine) from all outstanding Bonds of the applicable maturity a principal amount of such Bonds equal to the aggregate principal amount of such Bonds to be redeemed, and will call such Bonds or portions thereof for redemption on such Redemption Date; provided that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof and that in selecting Bonds for redemption, the Bond Registrar shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. If less than all Bonds are to be optionally redeemed, the maturity or maturities of the Bonds to be redeemed shall be selected by the Issuer.

(d) Initial Registrar. Books for the registration and for the transfer of the Bonds as provided in this Resolution shall be kept by the City Auditor of the Issuer, which is hereby appointed the Bond Registrar, Transfer Agent and Paying Agent (the "Registrar").

5. Transfer and Exchange. The Bonds are transferable upon the books of the Issuer at the principal office of the Bond Registrar by the registered owner thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his attorney; and may also be surrendered in exchange for Bonds of the same series of other authorized denominations. Upon such transfer or exchange the Issuer will cause a new Bond or Bonds of the same series to be issued in the name of the transferee or registered owner, of the same aggregate

principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange. No transfer of Bonds shall be required to be made during the 15 days next preceding an interest payment date, nor during the 45 days next preceding the date fixed for redemption of such Bonds.

The Issuer and the Bond Registrar may deem and treat the person in whose name any Bond is registered as the absolute owner thereof, whether the Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary.

6. Bonds Mutilated, Destroyed, Lost, or Stolen. If any Bond shall become mutilated or be destroyed, lost, or stolen, the Issuer in its discretion may execute and upon its request, the Bond Registrar shall authenticate and deliver a new Bond of the same series in exchange for the mutilated Bond or in lieu of and substitution for the Bond so destroyed, lost, or stolen. In every case of exchange or substitution, the applicant shall furnish to the Issuer and to the Bond Registrar in a form satisfactory to both (i) evidence to their satisfaction of the mutilation, destruction, loss, or theft of the applicant's Bond and of the ownership thereof and (ii) in the case of any destroyed, lost, or stolen Bond, such security or indemnity as may be required by them to save each of them harmless from all risks, however remote. The Bond Registrar may authenticate any Bond issued upon such exchange or substitution and deliver such Bond upon the request of the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees, of the Issuer or the Bond Registrar.

If any Bond that has matured or is about to mature shall become mutilated or be destroyed, lost, or stolen, instead of issuing a Bond in exchange or substitution therefor, the Issuer may pay or authorize the payment of such Bond (without surrender thereof except in the case of a mutilated Bond) if the applicant for such payment shall furnish to the Issuer and to the Bond Registrar evidence to the satisfaction of the Issuer and the Bond Registrar of the mutilation, destruction, loss, or theft of such Bond and the ownership thereof and, in the case of any destroyed, lost, or stolen Bond, such security or indemnity as they may require to save them harmless from all risks.

Every Bond issued pursuant to the provisions of this Section in exchange or substitution for any Bond of the same series that is mutilated, destroyed, lost, or stolen shall constitute an additional contractual obligation of the Issuer, whether or not the destroyed, lost, or stolen Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits hereof equally and proportionately with any and all other Bonds. All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the respect to the replacement or payment mutilated, destroyed, lost, or stolen Bonds, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

7. Cancellation and Disposition of Bonds. All mutilated Bonds, all Bonds surrendered for exchange or transfer, all Bonds that have been paid at maturity or upon prior redemption, and all Bonds surrendered to the Issuer for cancellation shall be canceled by the Bond Registrar.

8. Execution, Authentication and Delivery. The Bonds shall be prepared under the direction of the City Auditor and shall be executed and authenticated on behalf of the Issuer by the signatures of the Mayor and the City Auditor. All signatures may be printed, lithographed or engraved facsimiles of the original. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been so prepared and executed, the Issuer shall deliver the same to the Purchaser in exchange for the warrants of the Improvement Districts in the same aggregate principal amount, heretofore purchased by the Purchaser, and the Issuer shall pay to the Purchaser the interest accrued to the date of exchange of said warrants less the amount of interest accrued to said date on the Bonds, all in accordance with the agreement heretofore made and entered into relative to the refunding of the warrants, which agreement is hereby approved, ratified and confirmed.

In the event of the absence or unavailability of the Mayor, the City Auditor, or other appropriate officer of the City, the Bonds and the other documents authorized for execution and delivery pursuant to this section may be executed and delivered by the individual or individuals authorized generally by the City to act on behalf of the Mayor, the City Auditor, or other officer of the Issuer in such circumstances, including, without limitation, the Deputy Mayor and the Deputy City Auditor, as the case may be.

9. Establishment of Bond Fund. There shall be and is hereby created a special fund to be maintained by the City Auditor separate and apart from all other funds of the Issuer, to be designated as the SERIES 2023A REFUNDING IMPROVEMENT BOND FUND (herein referred to as the "Bond Fund"). To the Bond Fund shall be credited the Warrants when received by the City Auditor, which Warrants shall thereupon become and shall thereafter be held as an asset of said fund, and the proceeds of all collections on said Warrants so acquired shall be held by the Issuer in trust for the use and benefit of the holders from time to time of the Bonds to the extent such Warrants remain outstanding. The Special Funds of the Improvement District described in the resolution referred to in paragraph 1 hereof shall be continued and payments shall be made therefrom on the Warrants drawn thereon in the same manner as though said Warrants had not been exchanged. All payments of principal and interest made on said Warrants shall be credited to the Bond Fund and shall be used and applied in payment of the principal of and interest on the Bonds as such principal and interest become due.

10. Covenants. The Issuer hereby covenants and agrees with the holders from time to time of the Bonds issued pursuant hereto:

(a) That it will use due diligence to collect all amounts due on the Warrants and to levy and collect the special assessments, revenues, and taxes, if any, appropriated for their payment.

(b) That it will preserve and enforce for the benefit of the holders from time to time of the Bonds all of the rights, powers, and privileges reserved, to the holders of the Warrants, and all of the covenants of the Issuer as provided in the resolution authorizing the issuance of the Warrants.

(c) That at the time and in the manner prescribed by § 40-26-08, North Dakota Century Code, as amended, this governing body will levy general taxes on all taxable property in the corporate limits of the Issuer for the payment of any deficiency in any Special Fund and will cause the proceeds thereof to be applied in payment of the principal of and interest on the then unpaid Warrants drawn on said Special Fund, provided that the Issuer reserves the right to levy taxes in the manner and to the extent permitted by law for payment and discharge of any deficiency in said Special Funds prior to the date upon which it may become obligatory to levy such deficiency taxes, and the amounts thereof shall be credited against the levies which the Issuer might otherwise have been obligated to make.

(d) That in the event the moneys in the Bond Fund should at any time be insufficient to meet all payments of principal and interest then due on the Bonds, said moneys shall be first used to pay the interest accrued on all outstanding Bonds, and the balance shall be applied in payment of the principal of said Bonds in order of their maturity dates, earliest maturities first, Bonds bearing the same maturity dates being paid pro rata. The Issuer reserves the right and privilege of refunding any of such matured Bonds for the payment of which moneys are not at the time available by issuing new bonds payable from said Bond Fund, which bonds shall be on a parity with those theretofore issued as to interest charges thereon, but the maturity thereof shall be subsequent to the maturity of all Bonds payable from said fund and then outstanding, provided that no holder of Bonds herein authorized to be issued shall be obligated to accept any such bond in exchange for any of such matured Bond.

(e) The Issuer hereby reserves the right to issue additional improvement warrants and refunding improvement bonds, payable on a parity with the Bonds issued hereunder and the Warrants exchanged for the Bonds, to the extent required to complete the Improvements presently proposed for the Improvement Districts and to be financed by the issuance of the additional improvement warrants exchanged for additional revenue bonds.

(f) The Issuer hereby pledges all Warrants and the payments thereon to the payment of the principal of, and interest on, the Bonds.

11. Payment and Discharge; Defeasance. When all of the Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution shall cease. The Issuer may discharge its obligations with respect to all or a portion of the Bonds which are due on any date by depositing with the Paying Agent on or before that date a sum sufficient for the payment of the principal thereof, and interest accruing thereon to such duty in full. If any Bond shall not have been paid when due, the same may nevertheless be discharged by depositing with the Paying Agent a sum sufficient for the payment of the principal thereof in full with interest accrued thereon from the date to which interest has been paid to the date of such deposit and payment to the owners thereof. The Issuer may also discharge its obligations with respect to all or a portion of the Bonds, by depositing with the paying agent on or before that date an amount equal to the principal, interest and redemption premium, if any, which are due on the

maturity date, or earlier redemption date selected by the Issuer, provided that notice of such redemption has been duly given as provided herein. The Issuer may also at any time discharge its obligations with respect to all or a portion of the Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank or financial institution qualified by law as an escrow agent for this purpose, cash or securities which are general obligations of the United States or securities of United States agencies which are authorized by law to be so deposited, bearing interest payable at such times and at such rates and maturing on such dates as shall be sufficient to pay all principal, interest, and redemption premium to become due thereon to maturity or the date of earlier redemption selected by the Issuer. If less than all of the Bonds are to be discharged pursuant to this paragraph, the maturity date, the mandatory sinking fund redemption requirement with respect to Term Bonds, and series may be selected by the Issuer in its sole discretion.

12. Authentication of Transcript. The officers of the Issuer are hereby authorized and directed to prepare and furnish to the Purchaser and to Dorsey & Whitney LLP, Bond Counsel, certified copies of all proceedings and records relating to the Bonds and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Bonds, as the same appear from the books and records in their custody and control or as otherwise known to them, and all such certified copies, affidavits and certificates, including any heretofore furnished, shall be deemed representations of the Issuer as to the correctness of all statements contained therein.

13. Securities Depository. (a) For purposes of this section the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the sender agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the Issuer may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and

neither the Registrar nor the Issuer shall be affected by any notice to the contrary. Neither the Registrar nor the Issuer shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC's Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the Issuer to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the Issuer determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of bond certificates, the Issuer may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Issuer and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC by the Issuer is hereby confirmed and ratified.

(e) In the event that any transfer or exchange of Bonds is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates. Any successor depository must be both a "clearing corporation" as defined in North Dakota Century Code, Section 41-08-02 and a qualified and registered "clearing agency" as provided in Section 17A of the Securities Exchange Act of 1934, as amended.

14. Tax Covenants; Arbitrage Matters; Reimbursement and Continuing Disclosure.

(a) Tax Covenant. The Issuer covenants and agrees with the holders from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended (the "Code"), and Regulations, Amended Regulations, and Proposed Regulations issued thereunder, as now existing or as hereinafter amended or proposed and in effect at the time of such action.

(b) Arbitrage Certification. The Mayor and the City Auditor being the officers of the Issuer charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver a certificate in accordance with the provisions of the Code and applicable Treasury Regulations (the "Regulations"), stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be arbitrage bonds within the meaning of the Code and Regulations.

(c) Rebate. The Issuer acknowledges that the Bonds are subject to the rebate requirements of Section 148(f) of the Code. The Issuer covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, unless the Bonds qualify for one of the exceptions from the rebate requirement under Section 1.148-7 of the Regulations and no "gross proceeds" of the Bonds (other than amounts constituting a "bona fide debt service fund") arise during or after the expenditure of the original proceeds thereof. In furtherance of the foregoing, the City Auditor is hereby authorized and directed to execute a Rebate Certificate, in the form prescribed by Bond Counsel, and the Issuer hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

(d) Not Qualified Tax Exemption Obligations. The Bonds are not designated as "qualified tax-exempt obligations" for purpose of Section 265(b) of the Code.

(e) Reimbursement. The Issuer certifies that the proceeds of the Bonds will not be used by the Issuer to reimburse itself for any expenditure with respect to the Improvements which the Issuer paid or will have paid prior to the issuance of the Bonds unless, with respect to such prior expenditures, the Issuer shall have made a declaration of official intent which complies with the provisions of Section 1.150-2 of the Regulations; provided that this certification shall not apply (i) with respect to certain de minimis expenditures, if any, with respect to the Improvements meeting the requirements of Section 1.150-2(f)(1) of the Regulations, or (ii) with respect to "preliminary expenditures" for the Improvements as defined in Section 1.150-2(f)(2) of the Regulations, including engineering or architectural expenses and similar preparatory expenses, which in the aggregate do not exceed 20% of the "issue price" of the Bonds.

(f) Continuing Disclosure. The City Auditor is hereby authorized to execute, on behalf of the Issuer, the Continuing Disclosure Certificate in a form substantially similar to that attached as **Attachment C** hereto, which is hereby incorporated herein and made a part hereof.

(g) Official Statement. The form of Official Statement relating to the Bonds prepared and distributed on behalf of the Issuer by Baker Tilly Municipal Advisors, LLC, is hereby approved, and the officers of the Issuer are hereby authorized and directed to execute such certificates as may be appropriate concerning the accuracy, completeness and sufficiency thereof.

RESOLUTION SELLING, ESTABLISHING TERMS AND DIRECTING ISSUANCE OF
DEFINITIVE IMPROVEMENT WARRANTS ON THE FUNDS OF CERTAIN
IMPROVEMENT DISTRICTS, AND PROVIDING FOR AND APPROPRIATING SPECIAL
ASSESSMENTS FOR THE SUPPORT AND MAINTENANCE OF SAID FUNDS

BE IT RESOLVED by the City Commission (the "Commission") of the City of Fargo, Cass County, North Dakota (the "Issuer") as follows:

1. Findings. It is hereby found, determined, and declared that the Issuer has heretofore duly created the improvement districts as set forth in **Attachment A** hereto, which is incorporated herein (the "Improvement Districts"), and has ordered, received, and approved plans and specifications, and estimates of the cost, for the construction of the improvements in said Improvement Districts (the "Improvements"); that the governing body determined the necessity of constructing the Improvements; that the Improvements have been petitioned by the owners or that insufficient protests to the project were filed in accordance with State of North Dakota (the "State") law; that contracts for construction of the Improvements have been duly awarded and executed; that the contracts and contractors' bonds have been and are hereby approved; that the Issuer possesses and has power to exercise through this governing body full and exclusive jurisdiction over all streets and places wherein said improvements are located; that the total cost of said Improvements in excess of any other funds on hand and appropriated for the payment of such cost including reimbursing other funds of the Issuer for any amounts temporarily advanced to meet immediate expenses of the Improvements less prepayments actually received and to be used to pay the cost of said Improvements is now estimated to be approximately the amount set forth in **Attachment A** hereto, which is incorporated herein; that to pay the total cost of said Improvements, the Issuer has sold improvement warrants in the principal amount of \$[PAR]; that the total benefits to all lots, tracts, and parcels of land liable to be specially assessed for benefits resulting from the Improvements in said Improvement Districts will be substantially in excess of the cost of said Improvements to be assessed against said properties as herein provided; and that all acts, conditions, and things required by the Constitution and laws of the State of North Dakota to be done, to exist, to happen, and to be performed preliminary to the issuance and sale of warrants to provide moneys to pay for said Improvements (the "Warrants") have been done, do exist, have happened, and have been performed in regular and due form and in the time and manner as so required. Each Warrant is payable from and secured by a special fund of the Issuer created with respect to an Improvement District and the special assessments levied within such Improvement District for the Improvements relating to such district.

2. Issuance and Sale of Warrants. In order to pay the Issuer's portion of the cost of the Improvements (including the retirement of any temporary warrants heretofore issued for such cost), it is necessary and expedient for the Issuer at this time to borrow money by the issuance of improvement warrants to be drawn upon the respective funds (the "Funds") of the Districts, created pursuant to Section 4, in the aggregate principal amount of \$[PAR] (the "Warrants"). Bids for the purchase of the Warrants, to be immediately refunded by the issuance of \$[PAR] Refunding Improvement Bonds, Series 2023A (the "Bonds") of the Issuer, have been solicited by Baker Tilly Municipal Advisors, LLC, the Issuer's municipal advisor, pursuant to an Official Terms of Offering and an Official Statement for the sale of the Warrants and Bonds, and the Commission has publicly considered all sealed bids presented in conformity therewith. It is hereby determined that the best bid for the purchase of the Warrants and Bonds is the bid received from [purchaser],

of [City, State] (the “Purchaser”), said bid being to purchase the Warrants and Bonds in a principal amount of \$[PAR] at a price of \$[purchaseprice], and upon the further terms set forth herein. The Mayor and City Auditor are hereby authorized and directed on behalf of the Issuer to execute a contract with the Purchaser for the sale of the Bonds.

3. Interest Rate; Payment Dates and Installment of Principal. In anticipation of the collection of the special assessments and of any taxes as set forth in Sections 5 and 8 hereof, the Issuer shall issue and deliver a definitive improvement warrant on the fund of each District in the respective principal amounts set forth in Exhibit A. The warrants shall be dated as of February 22, 2023, and shall bear interest at the rates set forth in Exhibit A, payable on May 1 and November 1 in each year, commencing November 1, 2023, but no interest coupons shall be attached thereto. One or more warrants shall be issued for each District, payable in annual installments of principal, with interest, on May 1 in the respective years and in the amounts specified for each of said years, as provided in Exhibit A hereto.

4. Creation and Uses of Funds and Accounts There is hereby created a special fund of the Issuer for each Improvement District (the “Special Funds,” each a “Special Fund”), which Special Funds shall be held and administered by the City Auditor separate and apart from all other funds of the Issuer and each Special Fund shall be continued and maintained as directed in this resolution until all Warrants issued thereon shall have been fully paid with interest. In each such Special Fund there shall be maintained two separate accounts to be designated as the “Construction Account” and “Principal and Interest Account,” respectively.

(a) There shall be credited to the Construction Account in each Special Fund the proceeds of the sale of the Warrants issued against such Special Fund except the accrued interest and except any amounts necessary to reimburse other funds of the Issuer for temporary advances made for the Improvements. All costs and expenses of making said Improvements, including interest coming due during construction, shall be paid from time to time as incurred and allowed from said Construction Account, upon Construction Account warrants signed by the Mayor and City Auditor, or in their absence, the Deputy Mayor and/or the Deputy City Clerk, and moneys in said Account shall be used for no other purpose, provided that if upon completion of the Improvements and approval thereof by the Engineer for the Issuer, and payment of all claims and expenses in respect to said Improvement, there shall remain any unexpended balance in said Construction Account, such balance shall be transferred to the respective Principal and Interest Account and handled and accounted for in the same manner as other moneys in that account.

(b) There shall be credited to the Principal and Interest Account in each Special Fund the accrued interest, if any, on the Warrant drawn on said fund from the date of the Warrant to the date of delivery thereof to the Purchaser, the entire amount of special assessments and any taxes to be levied with respect to that improvement as herein set forth, to the extent necessary to pay principal and interest on Warrants payable therefrom, and any balance remaining in the Construction Account after completion of said Improvement. While a Warrant remains outstanding, moneys in the Principal and Interest Account therefor shall be used only for payment of the principal of and interest on the Warrants drawn against said fund to the extent such payments become due.

(c) The Issuer covenants and agrees with the holders from time to time of the Issuer's refunding improvement bonds, which are payable from, and secured by, the Warrants and the interest on which is excluded from gross income for federal tax purposes (the "Bonds"), that it will not take or permit to be taken by any of its officers, employees, or agents any action which would cause the interest on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended, and regulations, amended regulations, and proposed regulations issued thereunder, as now existing or as hereinafter amended or proposed and in effect at the time of such action.

5. Special Assessments. With respect to the Improvement Districts, the Issuer covenants and agrees with all holders of Warrants that it will do and perform as soon as may be possible, in accordance with law, all acts and things necessary for the final and valid levy of special assessments against properties within the Improvement Districts benefited by the Improvements, in an aggregate amount equal to the total cost of the Improvement to the Issuer, except any portion, not exceeding one-fifth of the cost of the improvement and not exceeding any applicable constitutional or statutory debt limit, as the Issuer may determine to pay by the levy of *ad valorem* taxes upon all taxable property within its corporate limits.

In the event that the special assessment should at any time be held invalid with respect to any lot or tract of land, due to any error, defect or irregularity in any action or proceeding taken or to be taken by the Issuer or by the governing body or by any officers or employees, either in the making of the special assessment or in the performance of any condition precedent thereto, the Issuer and this governing body covenant and agree that they will forthwith do all such further acts and take all such further proceedings as may be required by law to make such special assessment a valid and binding lien upon such lot or tract.

The installments of special assessments from time to time remaining unpaid shall bear interest at the applicable rate, not exceeding seventy-five hundredths of a percentage point (0.75%) above the true interest cost (TIC) annual interest rate on bonds issued on special improvement districts, said special assessments to be levied in equal annual installments of principal, together with the interest to accrue thereon, as set forth in **Attachment A** hereto.

6. Form of Warrant. The Warrants shall be reproduced in substantially the form set forth in **Attachment B** hereto and incorporated herein.

7. Execution and Delivery. Each Warrant shall be prepared for execution under the direction of the City Auditor and shall be executed on behalf of the Issuer by the signature of the Mayor, countersigned by the City Auditor and sealed with the official seal of the Issuer. When executed, the warrants shall be delivered by the City Auditor to the Purchaser thereof upon payment of the purchase price agreed upon, and the Purchaser shall not be obligated to see to the application of the purchase price.

The Mayor, the City Auditor, and other officers of the Issuer are also hereby authorized to execute and deliver any such additional certificates, showings, agreements, or documents necessary or otherwise appropriate in connection with the issuance of the Warrants and the transactions contemplated thereby.

In the event of the absence or unavailability of the Mayor, the City Auditor, or other appropriate officer of the Issuer, the Warrants and the other documents authorized for execution and delivery pursuant to this section may be executed and delivered by the individual or individuals authorized generally by the Issuer to act on behalf of the Mayor, the City Auditor, or other officer of the Issuer in such circumstances, including, without limitation, the Deputy Mayor and the Deputy City Auditor, as the case may be.

In case any officer signing documents authorized to be executed and delivered by this resolution shall cease to be such officer before or after the delivery of any such document, such signature, nevertheless, shall be valid and remain sufficient for all purposes as if such officer had remained in office until such delivery or later applicable time.

8. Covenant as to Tax Levy. With respect to each Special Fund, the Issuer hereby recognizes its obligation with respect to the Warrants drawn against the Funds, as set forth in § 40-26-08, North Dakota Century Code, as amended, and covenants that whenever all special assessments, utility revenues and taxes, if any, appropriated and theretofore collected for the related Improvement are insufficient to pay principal of or interest then due on the applicable Warrant, the governing body of the Issuer shall thereupon levy a tax upon all taxable property in the corporate limits of the Issuer for the payment of such deficiency, provided that if said Warrant has been exchanged for refunding improvement bonds pursuant to the provisions of Chapter 40-27, North Dakota Century Code, such deficiency tax may be made payable in the years and amounts required to pay the principal of and interest on such refunding improvement bonds as the same become due. Nothing herein contained shall be deemed to limit the power of the Issuer and this governing body under the provisions of said § 40-26-08, as amended, to levy a general tax in anticipation of a deficiency considered likely to occur in said Special Fund within one year, and it is hereby declared to be the policy of the Issuer that the governing body will annually review the current requirements and resources of each Special Fund, at the time of the preparation of and hearing on the budget, in accordance with the provisions of Chapter 40-40, North Dakota Century Code, to the end that provisions may be made in each annual budget for any deficiency in said applicable Funds which is deemed likely to occur within the then next succeeding year. Any taxes levied in accordance with the provisions of this paragraph in payment of a deficiency, or in anticipation of a deficiency, shall be paid upon collection into the Principal and Interest Account of the Special Fund and applied as provided in paragraph 2(b) hereof.

9. Refunding. With respect to the Special Funds, the Issuer reserves the right and privilege of refunding any warrants drawn against any of the Special Funds and refunding improvement bonds payable from such warrants which are past due, or which are redeemable at the option of the Issuer, or to the redemption or exchange of which the holder thereof shall have consented, and for the payment of which Warrants moneys are not at the time available in said fund, by issuing new warrants pursuant to the provisions of § 40-27-06, North Dakota Century Code. Such refunding warrant shall be payable from the applicable Special Fund on a parity with the Warrant previously issued as to interest charges, provided, however, that the principal maturities of such refunding warrant shall be subsequent to the maturities of all Warrants payable from such Special Fund and then outstanding, except the warrants so refunded.

With respect to the Special Funds, the Issuer also reserves the right to issue additional warrants and refunding improvement bonds for the payment of the cost of the improvement in said

districts if the actual cost of said improvement should be greater than has been estimated, such additional warrants to be payable from said fund on a parity with other warrants drawn on said funds.

10. Certification of Proceedings. The officers of this Issuer and the County Auditor of Cass County are authorized and directed to prepare and furnish to the purchaser of said warrants and to Dorsey & Whitney LLP, Bond Counsel to the Issuer, certified copies of all ordinances, resolutions, affidavits or other instruments relating to the establishment and construction of said improvement and the operation and maintenance thereof, and the levy of special assessments and taxes therefore or the issuance of said improvement warrants, which may be necessary or proper to show the validity or marketability of said warrants, and all instruments and transcripts so furnished, constitute representations of the Issuer as to the correctness of the facts as stated or recited therein.

SUBJECT: NOISE ORDINANCE RFP

During the summer of 2022, the City of Fargo experienced difficulty regulating outdoor amplified sound and the existing noise ordinance was called into question. City staff has worked diligently to come to a solution only to discover they lack the expertise needed to provide a recommendation to the City Commission.

City staff is recommending we reach out to vendors to assist in drafting Ordinance language. The RFP should be all-inclusive encompassing both permanent as well as transient noise producers. The consultant should engage the brick and mortar businesses as well as street performers (buskers).

RECOMMENDED MOTION: To direct City Staff along with the City Attorney to seek an RFP to address the Noise Ordinance.
